PUSH for Excellence, Inc.

(PUSH Excel) is a tax-exempt organization founded in 1975 by Rev. and Mrs. Jesse Jackson Sr. and Mrs. Lucille Loman and a number of nationally recognized educators including, Dr. Mary Frances Berry, Dr. Elma Mardis, Dr. John Hope Franklin, Dr. Frank Hale, Dr. Camille Cosby and Dr. Alvin Poussaint to inspire students to strive for excellence in education in spite of personal, family, and community challenges that they might experience.

Rev. Jackson launched PUSH Excel as a national educational model connecting principals, parents, popular personalities such as Aretha Franklin, Hubert Humphrey, Oprah Winfrey, Michael Jordan, Jerry Brown, Sidney Poitier, Marlon Brando, Judge Greg Mathis, Dominique Wilkins, Herb Williams, Oscar Robertson, Magic Johnson, Isiah Thomas, Mark Aguirre, Terry Cummings, Charles Oakley and students at every level on the educational ladder to live the principles of, “If my mind can conceive it and my heart can believe it, I can achieve it!”, or the familiar phrase that Rev. Jackson opens many of his talks with, “I Am Somebody.” The PUSH Excel principles were adopted by school districts in every region of America by 1980.

VISION

PUSH Excel’s focus is worldwide in promoting educational excellence and equity in funding and allocation of educational resources so that every child is guaranteed an opportunity to receive a quality education.

MISSION

The mission of PUSH Excel is to promote educational excellence through the engagement of stakeholders in education and to work collaboratively to create opportunities, transform the lives of students, and improve communities by the following:

- Supporting educational policies that guarantee equal funding for all students without regard to race or economic standing;
- Engaging parents, students, and teachers in pursuing high quality education and striving for educational excellence at every level;
- Forging partnerships with community based and public sector stakeholders in education.
Dear Sponsor,

“The function of education is to teach one to think intensively and to think critically...Intelligence plus character – that is the goal of true education.” Rev. Dr. Martin Luther King, Jr.

As we strive to reach the goal of true education, we realize that college enrollment is becoming increasingly challenging for a number of students. Since the inception of PUSH Excel in 1975, we have always endeavoured to support students in their pursuit of academic excellence. With the debut of our annual MLK Breakfast in January 1991, we have supported several thousand students in institutions of higher learning with scholarships in excess of $8 million. Last year, we provided support to 82 students who were enrolled in 56 different colleges and universities.

American students face an uncertain future in this world of automation and artificial intelligence, many experts predict that by 2030, the “robot apocalypse” could be fully upon us. Given the added component of the “new norm” that has been brought upon us due to the COVID-19 pandemic, we know that students must be prepared for the changing landscape of work that currently operates in hybrid fashion, both in-person and virtually. PUSH Excel has embarked on designing “virtual” after-school-program models to be replicated by churches and communities nationwide.

This year, **PUSH for Excellence (PUSH Excel)** is expanding the opportunity to allow your company to partner with us to reach our goal of increasing the quantity and amount of individual scholarships we provide to deserving students, and to continue our efforts with providing our College-Bound Program that assists students in applying to college and participating in an annual (currently “virtual”) Historically Black Colleges and Universities Tour.

Our yearlong program is designed to provide resources for students to prepare them for college through test preparation, essay writing, exposure to STEAM, financial/digital literacy, and leadership development. But we know this is not enough, and we need your support to continue our work. As we plan to celebrate our **32nd Annual MLK Scholarship Event on Monday, January 17, 2022**, we thank you for your previous financial support which has created a fountain of resources for our scholarship recipients, and we invite you to continue to make this critical investment in our youth.

This year is more critical than ever before because many public and private colleges in America have faced mounting challenges in funding, student recruitment, and enrollment. According to the latest research, states have cut funding for higher education while, at the same time, forcing colleges and universities to raise tuition rates amidst major federal budget cuts to Pell Grants and Parent Plus Loans. **So, how can you offer support?**
1. Scholarship Support:

We would like to offer you the opportunity to host a scholarship in your company’s name. As a corporate host, you will be able to establish the guidelines for the kind of scholarship that is tailor-made to the vision of your company, including the following:

- Student Eligibility (whether the scholarship will be industry-specific or whether it will be major-specific, and what the minimum GPA requirement will be)
- Renewability (whether the scholarship will be for a 2-year institution or for a 4-year institution)
- Dollar Amount (whether the scholarship will be a full scholarship that covers all expenses for the entire academic year, or whether the scholarship will be a partial scholarship that assists students with their overall cost of tuition)

2. Programmatic Support:

We would also like to offer you the opportunity to support one or more of the following PUSH Excel programs:

- Virtual PUSH Excel HBCU Tour
- Virtual PUSH Excel STEAM Enrichment Academy
- Virtual PUSH Excel Oratorical Society
- Virtual PUSH Excel Financial Literacy Class

The enclosed PUSH Excel Sponsorship Opportunities Package provides you with additional details and information on each one of our PUSH Excel programs for your review and consideration of financial support.

We sincerely look forward to collaborating with you for the success of next year’s King Event and for many years to come. At your earliest convenience, please contact Rev. Dr. Janette C. Wilson, Esq., National Education Director, at 773.383.7277, or email her at revjwilson@rainbowpush.org to discuss this potential partnership. Thank you for your consideration of our vision.

PUSH Excel Scholarship Sponsorship 2022

PUSH Excel seeks to provide every student with an opportunity to receive a high-quality education and a future career opportunity. We have redesigned our scholarship offerings to assist students with needs to receive a 4-year or 2-year financial commitment that will aid in limiting the financial burden on students enrolled in colleges and universities across the country.

Your corporation can further tailor our scholarship to include the following:
• Name of the sponsoring corporation in the scholarship title
• Require students to enroll in either an HBCU or a Community College
• Require students to have specific majors
• Draft the essay questions
• Scholarship selection committee involvement
• Define the GPA requirement for students

Consider investing in our scholar’s collegiate persistence and career readiness by supporting one of the following scholarship options:

**SUMMA CUM LAUDE - $250,000 RENEWABLE SCHOLARSHIP OPPORTUNITY**
• Your corporation can invest $250,000 dollars to support a 4-year renewable scholarship for 20 students per year, at $10,000 dollars per student. Your corporation would provide selected students with a summer internship opportunity. Lastly, the corporation logo will be branded on all PUSH Excel digital publications, social media platforms, marketing, and outreach.

**MAGNA CUM LAUDE $150,000 RENEWABLE SCHOLARSHIP OPPORTUNITY**
• Your corporation or an individual can invest $150,000 to support a 4-year renewable scholarship for 15 students per year, at $10,000 dollars per student.

**CUM LAUDE $100,000 RENEWABLE SCHOLARSHIP OPPORTUNITY**
• Your corporation or an individual can invest $100,000 dollars to support a 4-year renewable scholarship for 10 students per year, at $10,000 dollars per student.

**VALEDICTORIAN $75,000 RENEWABLE SCHOLARSHIP OPPORTUNITY**
• Your corporation or an individual can invest $75,000 to support a 4-year renewable scholarship for 5 students per year, at $10,000 dollars per student.

**SALUTATORIAN $50,000 RENEWABLE SCHOLARSHIP OPPORTUNITY**
• Your corporation or an individual can invest $50,000 to support a 2-year renewable scholarship for 5 students per year, at $5,000 dollars per student.
Scholarship
The **PUSH Excel Scholarship** was created to assist young people who are qualified but lack the financial resources to attend college. College is the key to economic freedom for all Americans, yet a college degree is becoming less and less affordable for the average student in the United States.

Over the past eight years, PUSH Excel has awarded over three million dollars to hundreds of deserving students enrolled in colleges and universities across the country. PUSH Excel scholars attend a variety of institutions, and we take pride in the fact that 90% of PUSH Excel scholars graduate from college.

Scholarship recipients are selected from a pool of applicants who apply for a particular program and meet the criteria provided in applications. They are evaluated by a team of educators and corporate executives. Scholarship recipients participate in the scholarship event at the Annual PUSH Conference and agree to help the scholarship committee to promote the PUSH Excel program by participating in various events and activities at PUSH and on their college campus.

**General Motors Scholarship**
The **PUSH FOR EXCELLENCE PROGRAM** in partnership with the **RAINBOW PUSH AUTOMOTIVE PROJECT** will award General Motors/PUSH Excel Scholarship in the sum of $2,500 to graduating high-school seniors enrolled in schools in the state of Michigan.
JESSE L. JACKSON, SR., FELLOWS SCHOLARSHIP BY TOYOTA

The Jesse Jackson Fellows (Toyota) Scholarship is awarded to college students who will have sophomore status by the beginning of the academic year (the month of August) and who have a minimum cumulative GPA of 3.0. Students must also demonstrate participation in community service. Students must major in either business or engineering and be able to apply their major to the automotive industry. The scholarship award is $25,000 and is awarded to 10 students. The scholarship is renewable for up to two years (through the student’s senior year of college). In addition to the grand total monetary award of $75,000, the 10 students are also afforded two summer internship opportunities with Toyota, with the possibility of future employment with Toyota after graduation from college.

CIRILO MCSWEEEN SCHOLARSHIP BY NEW YORK LIFE

The Cirilo McSween (New York Life) Scholarship is awarded to students who are majoring in business or accounting, achieve academic success, and play an active role in their community. Scholarships are given in honor of New York Life’s first African-American Agent, the late Cirilo McSween, who joined the company in 1957. Mr. McSween, who was a member of the Rainbow PUSH Coalition’s Board of Directors, was a renowned civil rights activist who worked closely with Rev. Dr. Martin Luther King, Jr. The scholarship award is $5,000, and may be renewed for up to four years.

ORAL LEE SANDERS SCHOLARSHIP

The Ora Lee Sanders Scholarship is named for educator Ora Lee Sanders who believed that all children should have the opportunity to attend college regardless of having a high grade point average and/or test scores. This scholarship is open to all students who can demonstrate financial need, have a minimum GPA of 2.5, and play an active role in their community. The scholarship award is $2,500 and may be renewed for up to four years.

PRESIDENTIAL CHOICE SCHOLARSHIP

The Presidential Choice Scholarship is a discretionary scholarship awarded to students who have demonstrated an unwavering commitment to addressing social justice issues, engaging in advocacy, and to those individuals who understand and practice the gift of service. Due to unusual circumstances, these students may not meet the requirements for the other scholarships, but their character, financial need, persistence, and dedication to service make them deserving of recognition and aid. Scholarship recipients will receive $1,000 each year for four years, depending on their academic standing, achievements and/or the discretion of the president.
PUSH Excel Historically Black Colleges and Universities (HBCU) Tour

is our annual spring event offered to high school juniors and seniors from across the city of Chicago and surrounding suburbs. We assist scholars through workshops that offer tips on college admission and essay writing, college and career readiness skills, and opportunities to visit corporate sites. For the past twenty-one years, PUSH Excel has helped scholars tour, attend, and graduate from various HBCU’s. In fact, throughout the years, we have visited more than 60 institutions and exposed 1,481 students to 27 Cultural and Historic sites.

PUSH Excel STEAM Enrichment Academy

Disproportionate high school dropout rates, low graduation rates, limited exposure and access to science and math curricula results in African-American students having limited science and math literacy. The PUSH Excel STEAM curriculum is provided in partnership with local technology partners who engage students in a number of technical areas including: introduction to HTML, creating web pages, app design, coding, and creating video games.

Students are expected to develop and achieve the following outcomes:

- Development environment, assessments, and tools
- Digital Portfolio
- HTML
- Cascading Style Sheets
- JavaScript
- Game Development
- Exclusive online learning content

During the Summer STEAM Institute, students are engaged in project based learning opportunities. Each student will be asked to form a model tech company and select one of the following projects to complete for his/her company:

- Web Page Design
- Social Media Ethics
- Mobile Applications

These projects enable the students to understand how digital tools are utilized in the business world.

Emancipation Proclamation

Washington, D.C.
January 1, 1863
By the President of the United States of America:

A Proclamation.

Whereas, on the twenty-second day of September, in the year of our Lord one thousand eight hundred and sixty two, a proclamation was issued by the President of the United States, containing, among other things, the following, to wit:

“That on the first day of January, in the year of our Lord one thousand eight hundred and sixty-three, all persons held as slaves within any State or designated part of a State, the people whereof shall then be in rebellion against the United States, shall be then, thenceforward, and forever free; and the Executive Government of the United States, including the military and naval authority thereof, will recognize and maintain the freedom of such persons, and will do no act or acts to repress such persons, or any of them, in any efforts they may make for their actual freedom.”

“That the Executive will, on the first day of January aforesaid, by proclamation, designate the States and parts of States, if any, in which the people thereof, respectively, shall then be in rebellion against the United States; and the fact that any State, or the people thereof, shall on that day be, in good faith, represented in the Congress of the United States by members chosen thereto at elections wherein a majority of the qualified voters of such State shall have participated, shall, in the absence of strong countervailing testimony, be deemed conclusive evidence that such State, and the people thereof, are not then in rebellion against the United States.”

Now, therefore I, Abraham Lincoln, President of the United States, by virtue of the power in me vested as Commander-in-Chief, of the Army and Navy of the United States in time of actual armed rebellion against the authority and government of the United States, and as a fit and necessary war measure for suppressing said rebellion, do, on this first day of January, in the year of our Lord one thousand eight hundred and sixty three, and in accordance with my purpose so to do publicly proclaimed for the full period of one hundred days, from the day first above mentioned, order and designate as the States and parts of States wherein the people thereof respectively, are this day in rebellion against the United States, the following, to wit:

Arkansas, Texas, Louisiana, (except the Parishes of St. Bernard, Plaquemines, Jefferson, St. Johns, St. Charles, St. James Ascension, Assumption, Terrebonne, Lafourche, St. Mary, St. Martin, and Orleans, including the City of New Orleans) Mississippi, Alabama, Florida, Georgia, South-Carolina, North-Carolina, and Virginia, (except the fortyeight counties designated as West Virginia, and also the counties of Berkeley, Accomac, Northampton, Elizabeth-City, York, Princess Ann, and Norfolk, including the cities of Norfolk and Portsmouth[,]], and which excepted parts, are for the present, left precisely as if this proclamation were not issued.

And by virtue of the power, and for the purpose aforesaid, I do order and declare that all persons held as slaves within said designated States, and parts of States, are, and henceforward shall be free; and that the Executive government of the United States, including the military and naval authorities thereof, will recognize and maintain the freedom of said persons.

And I hereby enjoin upon the people so declared to be free to abstain from all violence, unless in necessary self-defence; and I recommend to them that, in all cases when allowed, they labor faithfully for reasonable wages.

And I further declare and make known, that such persons of suitable condition, will be received into the armed service of the United States to garrison forts, positions, stations, and other places, and to man vessels of all sorts in said service.

And upon this act, sincerely believed to be an act of justice, warranted by the Constitution, upon military necessity, I invoke the considerate judgment of mankind, and the gracious favor of Almighty God.

In witness whereof, I have hereunto set my hand and caused the seal of the United States to be affixed.

Done at the City of Washington, this first day of January, in the year of our Lord one thousand eight hundred and sixty three, and of the Independence of the United States of America the eighty-seventh.

By the President: ABRAHAM LINCOLN; WILLIAM H. SEWARD, Secretary of State.
